

1-on-1 cancer support

Connecting Cancer Fighters, Survivors & Caregivers

**SOMEONE
UNDERSTANDS
TALK TO SOMEONE
WHO HAS BEEN THERE.**

Imerman Angels can put you in touch with someone just like you who's already been through your cancer experience, helping create a supportive relationship.

HELPING ANY CANCER, ANY STAGE, ANY AGE, ANYWHERE IN THE WORLD

HOW WE HELP CANCER FIGHTERS & SURVIVORS

Through our personalized matching process, cancer fighters are connected with someone who has experienced a similar cancer situation (a Mentor Angel). While each cancer experience is unique, Mentor Angels are matched by similar age, gender, and cancer type, giving fighters the chance to ask personal questions and receive support from a peer who is truly familiar with the situation.

HOW WE HELP CANCER CAREGIVERS

Frequently, caregivers experience feelings similar to those of the person facing cancer. We connect those caring for or grieving the loss of a loved one with Caregiver Mentor Angels who can help provide support and comfort throughout the journey. A loved one may be a family member (such as a child, parent, spouse, sibling or grandparent) or friend who has or had cancer.
