

ANNUAL REPORT 2011-2012

LETTER FROM JONNY

Imerman Angels in 2012 can best be described in one word, IMPACT. The impact that we have on cancer survivors, fighters and caregivers is why we are here and why we do what we do. Our team is responsible for making personalized 1-on-1 connections for lives touched by cancer. In 2012, our services helped individuals in all fifty states and in over sixty countries scattered all over the globe.

I am proud of the team we have developed and the positive impact we continue to achieve. The success of our program enables the organization to grow in all aspects as a whole. Everyone who joins Imerman Angels, whether a survivor, fighter, caregiver or supporter, will help us reach our goal that ensures no one ever fights cancer alone.

I sincerely want to thank everyone from the bottom of my heart who has helped this organization grow and get to where it is today. We would not be here without you. Thank you to the mentor angels who share their stories. Thank you to the staff who makes this all possible. Thank you to the volunteers and donors for your time and generosity. Thank you to everyone else who believes in our mission.

The impact we have in the cancer community is felt around the world and we are on the road to ensure no one faces cancer alone.

With love and respect,

Jonny Imerman

LETTER FROM JOHN

2012 Was another EXCITING year for Imerman Angels! We saw our program grow to all-time high levels. We made close to 2,000 matches last year bringing our total number of matches to almost 8,000 since Imerman Angels' inception.

Imerman Angels' financial position has never been stronger having raised over \$875,000 with total net assets at the end of the year totaling over 1.3 million. We believe 2012 was the pivotal year in helping Imerman Angels significantly expand its reach in the coming years.

We appreciate all the support we have received from so many people, companies, organizations, volunteers, etc. Our team appreciates every bit of it!

We have set a three-year vision to expand our program to help 10,000 support seekers per year. We recognize it's a lofty but very necessary goal in our quest that no one fights cancer alone.

Thank you again for supporting Imerman Angels and we look forward to sharing more exciting news with you next year!

Kindest regards,

John May

EXPANDING THE TEAM

Our team of Cancer Support Specialists are the heart of our personalized peer support service. As cancer survivors and caregivers themselves, they embody the empathy that is at the core of what we do. In response to increasing demand for our service, by the end of the year our team of Cancer Support Specialists had more than tripled in size, growing from two to six.

OUTCOMES FOCUS

At Imerman Angels, we have ambitious goals: to improve the quality of life for cancer fighters, survivors, and caregivers. With the help of one of our key partners, The LIVESTRONG Foundation, we launched a survey program to begin measuring how our personalized peer support service impacts the quality of life of the people we serve.

Outcome 1: Improve the quality of life for cancer fighters, survivors, and caregivers

We believe that personalized 1-on-1 cancer support improves the quality of life for cancer fighters, survivors, and caregivers by providing hope and inspiration, reducing distress, decreasing isolation and loneliness.

Outcome 2: Connection Perfection

We aim to ensure that every support seeker gets the best personalized 1-on-1 cancer support match possible. Our continuous goal: 100% satisfaction.

Outcome 3: More Fighters, Survivors, and Caregivers Helped

There are approximately 1.5 million Americans diagnosed with cancer every year. Approximately 25% of them seek psychosocial support. That means there are 375,000 Americans annually who might use our service. We measure success by helping more and more people every day, week, month, and year.

Outcome 4: Create a feeling of “WOW” amongst our constituents

We want our constituents to feel a sense of “WOW” after their interactions with our staff and volunteers.

MARKETING AWARENESS & MEDIA

Imerman Angels was featured on CNN, Windy City Live on ABC 7, and CLTV's Living Healthy TV, plus in blogs such as Cancer Forward, Lake Michigan Shore, and JFS of Metropolitan Detroit, resulting in millions of impressions. These features discussed the significance of 1-on-1 cancer support, showcasing the stories of cancer fighters & survivors. These pair up stories brought new audiences into our database, allowing us to increase the quality of our matches.

Social media provides an outlet for mentor angels, volunteers, cancer fighters and survivors to connect and engage, creating a community for open discussion and support, and directing more people to support our organization.

2012 EVENTS

Events such as the 2nd Annual Golf Outing and Spring Launch Party at Moe's Cantina were held to create awareness and raise funds.

The **Spring Launch Party** at Moe's Cantina promoted the introduction of our "What's Your Date?" fundraising campaign. WhatsYourDate.org is now shared across multiple social media platforms with 60 people sharing their stories and raising funds for a combined total of \$6,898.

The **Spread Your Wings Boat Party** celebrated our exciting 6th Anniversary milestone.

Third Party Events like the **2012 NYC Event** and **2nd Annual Razzmatazz** were put together by our supporters to benefit Imerman Angels.

Partnerships

We developed meaningful partnerships in the community to help spread awareness of our mission. For example, Chicago based candy company Ferrara Pan donated 70,000 Imerman Angels co-branded boxes of Lemonheads for us to distribute at events and as icebreakers at meetings. We donated these Lemonheads candy to local hospitals, they are said to help alleviate the metallic taste received after chemotherapy.

We developed a partnership with Hegele Logistic, who provides highly customized logistic solutions along the supply chain for manufacturers of high tech equipment that go beyond the scope of shipping and storage. In order to help spread our mission Hegele equipped their transportation fleet with Imerman Angels logos and promotional material. Due to the nature of their business, vehicles are parked at hospitals or even cancer centers every day. In June, 2012, Hegele Logistic celebrated the Grand Opening of their new logistics center in Wood Dale, IL, where Jonny Imerman served as key note speaker.

“

THE PAIRING OF SCOTT AND MYSELF WAS PERFECT. HAVING SOMEONE WITH THE SAME DIAGNOSIS AND THE SAME AGE TO TALK TO ABOUT THE BOTH THE GOOD THINGS AND THE BAD THAT HAVE COME OUT OF OUR DIAGNOSIS AND TREATMENT HAS BEEN UPLIFTING. EACH WEEK, I LOOK FORWARD TO OUR TALKS. IF I COULD PROVIDE THE SAME FOR SOMEONE ELSE DIAGNOSED WITH THIS NASTY DISEASE, IT WOULD BE MY HONOR TO HELP.”

“

IT HAS BEEN GREAT TALKING WITH SOMEONE WHO ACTUALLY HAS AN IDEA OF WHAT I AM GOING THROUGH. I DO MY BEST TO EXPLAIN IT TO MY FAMILY AND FRIENDS - BUT THEY JUST DON'T UNDERSTAND. ALYSON DOES.”
