Imerman Angels' mission is to provide comfort and understanding for all cancer fighters, survivors, previvors and caregivers through a personalized, one-on-one connection with someone who has been there. We envision a world where cancer is not a solitary experience.

Honoring Imerman Angels Co-Founders: Jonny Imerman and John May

Twenty years ago, Jonny Imerman and John May turned a shared passion into a promise: no one should face cancer alone. What began as a small circle of friends pledging their resources has grown into a global community built on empathy and connection. Today, Imerman Angels honors our founders alongside the 17,000 Mentor Angels who have fueled nearly 50,000 life-changing connections.

As we celebrate our 20th anniversary and the 100,000 lives impacted since 2006, we invite you to sponsor Imerman Angels 20th Anniversary Gala. Join us in honoring our founders, Jonny Imerman and John May, while ensuring this vital support remains free and accessible to all.
