Dear Friends,

2014 was a year of continued expansion and new beginnings for Imerman Angels — a year in which we commenced some exciting new projects and paved the road into new markets.

We began the year with our annual Blue & White Party, which attracted over 400 Imerman Angels supporters from around the country! We generated funds for our program and increased awareness for our 1-on-1 cancer support. It was a lively night reaffirming our mission and energizing us for what was to come later in the year.

Also in 2014, we hired our first Spanish-speaking Cancer Support Specialist so we could further reach the Hispanic community — a community in which cancer is the number-one cause of death. We felt strongly that the Hispanic cancer fighter, survivor, and caregiver was needful of our services. And we were right: we reached over 325 survivors in the Hispanic community by year’s end.

In the fall, we hosted our first signature gala, Wings of Hope, to recognize those that have made a significant impact within our community — it exceeded expectations on many levels. Over 300 guests came to support, listen, and donate. We honored several people and organizations that contributed to our success including 1871 CEO and technology entrepreneur Howard Tullman, Harvey Weaver, a cancer survivor who spotlighted the power of peer connection, as well as Cancer Treatment Centers of America and Hugle Logistics for their commitment to helping us expand our mission beyond Chicago. We raised more than $325,000 to support the program.

Other firsts include fundraisers in New York City, Detroit, and Los Angeles which we saw as opportunities to reach more people in these densely populated urban areas. We look to 2015 as an opportunity to further establish ourselves in these parts of the country and prepare the ground for an official office opening.

We can’t wait to see how these growth initiatives thrive in 2015 along with your continued support.

#### YEAR END NUMBERS

- TOTAL NEW MENTOR ANGELS 2014: 1208
- CANCER TYPES SERVED IN 2014: 111
BLUE & WHITE PARTY

On March 6th, 2014, John Barleycorn in the River North area of Chicago hosted the 400-person celebration this year and once again, we focused on raising awareness and funds for the cancer community. Guests came dressed in reverence to the theme (our brand colors, naturally) and enjoyed cocktails, appetizers, and networking with the packed house of giving folks! Attendees had fun bidding on exciting raffle prizes including Cubs tickets and voucher for the Ritz-Carlton Chicago. Our kick-off event of the year raised $31,000 dollars.

4TH ANNUAL GOLF OUTING

Our fourth-annual golf outing was held on July 17th, 2014, at Harborside International Golf Center in Chicago and attracted more than 120 golfers and their guests. This year’s day on the greens featured lunch, on-course games, raffle prizes, and more. Comedian Pat McGann hosted a lively post-round reception which also honored Ryan McCain of KMG Private Wealth Management who is also a testicular cancer survivor and an Imerman Angels Mentor Angel. Event sponsors included Wells Fargo, Guaranteed Rate, and Union Sushi. The mid-summer event raised $44,000!

WINGS OF HOPE GALA

The Ritz-Carlton Chicago was host to our inaugural Wings of Hope Gala on September 20th, 2014, and it could not have gone more successfully! Over 300 guests filled the ballroom to enjoy cocktails, passed hors d’oeuvres as well as dancing and of course, fundraising through silent and live auctions. Emmy-award winning journalist and WGN broadcaster, Dina Bair, emceed the event. We honored several people and organizations that contributed to our success this year including 1871 CEO Howard Tullman, Harvey Weaver, a cancer survivor, and organizations Cancer Treatment Centers of America and Hegel Logistic. The sold-out soirée raised more than $325,000.

BANK OF AMERICA CHICAGO MARATHON

On October 12th, 2014, our athletics fundraising arm, Team Imerman Angels, recruited more than 125 runners from all over the United States to run one of the top marathons in the country! Collectively, our team ran over 3,200 miles – truly amazing. After the race, runners were welcomed by our Chief Mission Officer Jonny Imerman at Charity Village for a camaraderie-building post-run party. This year’s marathon was led by our newly hired Team Imerman Angels Development Director, Dave Louthan who – along with the amazing group of inspiring runners - brought in more than $210,000 dollars for our programs!
An excerpted collection of quotes demonstrating the positive impact our Mentor Angels have made in the lives of those fighting cancer or being a caregiver to a loved one.

“Matt and I have so much in common it’s crazy… we call, we text, we are now friends on Facebook. I told him whatever he needs to just call me. Thank you for matching us up he will do great… he told me his outlook on life has changed 10 fold since we have started talking almost every day!”
Ed Certik, Illinois, Hodgkin’s Lymphoma Survivor, Mentor Angel

“Thank you for connecting me with Meredith. She was so good to talk with and share. Very positive and caring person. Definitely an angel! My regards to the wonderful people at Imerman Angels.”
Nella Morgan, Illinois, Merkel Cell Carcinoma, Support Seeker

“The whole reason why I chose to do this is so I can give back, so I can be the reason someone smiles. If I would have had someone my age in the beginning of my battle sit down and talk to me or listen to me or just be there it would have been much easier.”
Anonymous, Michigan, Breast Cancer Survivor, Mentor Angel

“My Mentor Angel is a fantastic resource. I learned more from her today about cervical cancer and progression than from any doctor. It has been 15 years since her cancer, but she has very relevant information nonetheless and also the wisdom of “what to expect” down the road, which is also invaluable. THANK YOU for finding her and connecting me with her.”
Marline Fedin, New York, Cervical Cancer Support Seeker, Mentor Angel

“I am so HAPPY! It has been an incredibly positive and healing experience for me, and I’m hoping it will be the same for him. Reilly is a very determined guy. If HE wants something to happen, HE makes it happen! We are just so grateful for the opportunity to help other cancer families.”
Shannon Streight, Virginia, Liver Cancer, Caregiver Mentor Angel

“I wanted to thank you for connecting us with Lori. Her story is truly inspirational, and gives us a lot of hope. Thank you again for all your help - we are both so grateful that a resource like this exists.”

## OUR MISSION
To Provide FREE personalized connections that enable one-on-one support among cancer fighters, survivors, and caregivers.

## OUR CORE VALUES
These are the operating philosophies and principles that guide our internal conduct as well as our relationship with the outside world.

### MISSION FIRST, PEOPLE FIRST
We focus on profoundly impacting those touched by cancer through delivery of our mission.

### CREATE AWARENESS AND INSPIRATION
The more people that know about our mission and service, the more people we can help and inspire.

### FUNDRAISING AS MISSION FOCUSED
While personalized one-on-one cancer support always remains the primary focus, fundraising is essential to ensure we maintain ample resources to carry out our mission.

### CREATE COMMUNITY
We strive to be inclusive, to build long-term relationships and to treat everyone with empathy and compassion.

### BUILD ALLIANCES WITH EVERYONE
We are happy to share and help any good cause. We don’t compete - we just hug back!

### STAY RELAXED, LAID BACK AND HAVE FUN!
While the work we do is serious, there’s a joy and fulfillment in making an impact in people’s lives.

### STAY INNOVATIVE AND ALWAYS IMPROVE
We believe in excellence and must never settle for being “good enough.” We set and exceed our own high standards in order to best help those touched by cancer.

### BE HUMBLE
Cancer is an equalizer. There’s no room for ego in the cancer fight.
