Virtual Event

Imerman Angels provides comfort and understanding for all cancer fighters, survivors, previvors, and caregivers through a personalized, one-on-one connection with someone who has been there.

In our 14-year history, Imerman Angels has connected more than 26,000 matches across 145+ cancer types in all 50 states and 100+ countries. We have been able to advance our mission and scale to this level thanks to our 11,000+ dedicated Mentor Angel volunteers, our comprehensive database (the largest of its kind for peer-to-peer psychosocial cancer support), highly trained and compassionate Cancer Support Specialists and supporters like you.

Together, we can continue impacting the stories of those facing cancer so that no one has to face cancer alone.

Join us as a sponsor of the Imerman Angels' Virtual Gala on Wednesday, September 30, 2020 and be recognized for advancing a cause helping cancer fighters, survivors and caregivers worldwide. Your support helps us create awareness and build the financial capacity critical to offering our free services to anyone - at any age and stage - facing any type of cancer, anywhere in the world.
