HOW WE HELP CANCER FIGHTERS, SURVIVORS AND PREVIVORS

Through our personalized matching process, people diagnosed with cancer are connected with someone who's faced a similar cancer situation (a Mentor Angel). While each cancer experience is unique, Mentor Angels are matched by similar age, gender and diagnosis, providing cancer fighters the opportunity to ask personal questions and receive support from a peer familiar with the situation and can offer empathy in a way others cannot.

HOW WE HELP CANCER CAREGIVERS AND LOVED ONES

Imerman Angels connects those caring for - or grieving - the loss of a loved one with Caregiver Mentor Angels who can help provide support and comfort throughout their journey. A loved one may be a family member (such as a child, parent, spouse, sibling or grandparent) or a friend who's survived or currently has cancer.

OUR SERVICE IS
FREE FOR EVERYONE.
