Imerman Angels is truly an amazing organization. I was able to connect with another guy who is my age and survived my exact type of cancer 5 years ago! I stay in touch with my angel and we try to meet for coffee once a month. It’s been great to meet someone who has been through it all and is now living proof that I can get through this too!"
2008 has been a “year of connections!” With over 2,000 cancer survivor angels in our network, we have some momentum to change the cancer world, one cancer fighter and caregiver at a time! Imerman Angels has three staff members, all cancer survivors, and an amazing crew of passionate volunteers and Angel Ambassadors! Exciting to see many people who care so much about building this matching system!

“I predict that 2009 will be a breakout year for Imerman Angels!”

All of a sudden, our 1,300 square foot office no longer feels so empty! It’s great to see our staff, and the volunteers, working so hard in this office to build it!

I predict that 2009 will be a “breakout” year for Imerman Angels!!! The passion continues to grow, and in turn the momentum! THANK YOU to every person who supports this 1-on-1 cancer support mission! We are the epitome of a TEAM! No one could ever do this alone. And no one should fight cancer alone!

Jonny Imerman
“Thank you to our partners, donors, volunteers, staff and board of directors for another incredible year.”

We are pleased to present the Imerman Angels’ 2008 annual report. This was another year of growth for Imerman Angels. In our 2nd full year of existence, our mission continued to thrive. Our database of survivors now has virtually every cancer type to pair up all newly diagnosed fighters. While we made over 1,300 connections, that only scratches the surface of the 1.3 million Americans that are diagnosed with cancer every year.

Our growing team of volunteers and staff are highly focused on our long-term mission: “Beginning January 1, 2012, every cancer fighter in the United States will have free access to a cancer survivor within 24 hours of being diagnosed.” Our organization made great strides in accomplishing this goal this year. Please refer to the highlights page in this report to see all the exciting accomplishments made in 2008.

We continue to be supported by strong partners including Benjamin & Birkenstein, our independent accounting and audit firm as well as Kirkland & Ellis, a nationally acclaimed law practice that handles all of our legal matters. Our 2008 independent accounting report is enclosed for your review.

“2008 will be forever remembered as the year that transitioned Imerman Angels...”

We appreciate all the support from our partners, donors, volunteers and staff! 2008 will be forever remembered as the year that transitioned Imerman Angels from a local grass roots not-for-profit to regional and nationwide recognition in the cancer community. We expect another strong year in 2009! Thank you!

John R. May
Through Imerman Angels, I had the privilege to meet an amazing angel to help me during my treatment. Now, I’m stronger than ever and I’m helping a woman who is going through treatment for the same exact type of cancer that I had. It is a very rewarding experience to use the service and then give back by becoming an angel.”

I love the Imerman Angels community. When I contacted them, everyone was so friendly and full of life. They gave me hope that I could get through this! It’s great that they help people of all ages; I didn’t think they would have a survivor my age... but they did!
Imerman Angels is completely **free** of charge. This is possible through the generous support of individuals, company matching, foundations and event fundraisers. We thank you for your **continued support**.”

Notes to the Financial Statements
December 31, 2008 | Operations and Summary of Significant Accounting Policies

Operations
Imerman Angels, is an Illinois not-for-profit corporation that matches individuals fighting cancer with individuals that have beaten cancer, usually of the same type of cancer, age, gender, etc. One-on-one relationships give a fighter the chance to ask personal questions and get support from someone who is uniquely familiar - a survivor.

Basis of Presentation
Financial statement presentation follows the Financial Accounting Standards Board’s Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, Imerman Angels is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. At December 31, 2008, Imerman Angels had no temporarily or permanently restricted net assets.

Restricted and Unrestricted Revenue
Contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted net assets, depending on the existence and/or nature of any donor restrictions. Temporarily restricted contributions whose restrictions are met in the same reporting period are included in unrestricted support. Imerman Angels has not received any contributions with donor imposed restrictions that would result in permanently restricted net assets.

Promises to Give
Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. There were no unconditional promises to give at December 31, 2008.

Property and Equipment
Purchased property and equipment are recorded at cost. Equipment is depreciated over a period of five years on the accelerated method. Maintenance and repairs are charged to expense as incurred; major renewals and betterments are capitalized. When items of property or equipment are sold or retired, the related costs and accumulated depreciation are removed from the accounts and any gain or loss is recognized.

Donated Materials, Supplies and Equipment
Donated Materials, supplies and equipment are reflected in the financial statements if the estimated market values at date of contributions were determinable. If the estimated market value is indeterminable, the value is not included in the financial statements.
Notes to the Financial Statements
December 31, 2008 | Operations and Summary of Significant Accounting Policies, continued

Donated Services
A substantial number of unpaid volunteers have made significant contributions of their time to develop Imerman Angels programs. No amounts have been reflected for the value of their services.

Expense Allocation
Expenses relating to more than one function are allocated to program service, general and administrative, and development-fundraising costs based on employee time estimates or other appropriate usage factors.

Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Tax Status
Imerman Angels was organized as an Illinois not-for-profit corporation. It received tax exempt status under Section 501(c)(3) of the Internal Revenue Code and, as such, is not subject to federal and state income taxes. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(a) and has been classified as an organization that is not a private foundation under Section 509(a).

Cash and Cash Equivalents
Cash equivalents consist of money market accounts, bank certificates of deposits with maturities of twelve months or less, and highly liquid equity securities.

Notes to the Financial Statements
December 31, 2008 | Property and Equipment

Property and equipment at December 31, 2008, consisted of:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Office Equipment</td>
<td>$61,212</td>
</tr>
<tr>
<td>Less Accumulated Depreciation</td>
<td>$18,188</td>
</tr>
<tr>
<td>Net Property and Equipment</td>
<td>$43,024</td>
</tr>
</tbody>
</table>

Depreciation expense for the year was $14,384.

"Imerman Angels has fighters, survivors and caregivers in all 50 states and in 35 different countries around the world."
